

# How It Works

## CHOOSE YOUR COURSE

Whether you write for children or adults, our time-tested curriculum and partnership with your one-on-one instructor will help you achieve your writing goals.

Dig into your course, and craft your writing!

## PLAN • EDIT REVISE

Strengthen your sensory, descriptive, and character development skills.

Through your instructor's feedback, learn to write for your reader.

Embrace the art of revision.

## ASSIGNMENTS BECOME MANUSCRIPTS

Work with your instructor to select your strongest assignments and fine-tune them to meet submission standards.

Your writing takes on a new dimension as you navigate today's market.
